Unionized AT&T wireless service for less: Living in a wireless world doesn't have to break your bank. With the AT&T Wireless Discount, labor union members save **15% off** the regular monthly rate for individual and family wireless cell phone plans* on the nation's largest wireless network.

Savings on AT&T cell phone plans, phones and accessories: Not only do you save 15% off the regular wireless service costs, but CWA union members also receive additional savings on cell phones and accessories like ear buds for hands-free talking. Union families typically save \$71.88 a year with the AT&T Wireless Discount based on 15% savings on a \$39.99 plan. Higher minute plans save even more.

Solidarity: Not only will you be saving—you'll be supporting CWA workers and their families. AT&T respects the collective bargaining process and is the only wireless company that is completely unionized. Some 40,000 AT&T Mobility employees are represented by CWA.

Halloween

We celebrate Halloween each year on October 31. It is a mix of ancient Celtic practices, Catholic and Roman religious rituals and European folk traditions that blended together over time to create the holiday we know today. Straddling the line between fall and winter, plenty and paucity and life and death, Halloween is a time of celebration and superstition.

Halloween has long been thought of as a day when the dead can return to the earth, and ancient Celts would light bonfires and wear costumes to ward off these roaming ghosts. The Celtic holiday of Samhain, the Catholic Hallowmas period of All Saints' Day and All Souls' Day and the Roman festival of Feralia all influenced the modern holiday of Halloween. In the 19th century, Halloween began to lose its religious connotation, becoming a more secular community-based children's holiday. Although the superstitions and beliefs surrounding Halloween may have evolved over the years, as the days grow shorter and the nights get colder, people can still look forward to parades, costumes and sweet treats to usher in the winter season.
